

**REMARKS**

In the Official Action mailed on November 2, 2005, the Examiner allowed claims 1, 3 – 9  
 5 and 18 – 20. The Examiner rejected claims 10 and 12 – 17, and objected to claim 11 because it  
 is dependent on a rejected base claim.

In response to Examiner's rejection of claim 10 and objection to claim 11, the limitation  
 previously contained in claim 11 has been added to claim 10, as shown above. In accordance  
 with this change, claim 11 has been canceled and claim 12 has been amended to be dependent on  
 10 claim 10 rather than claim 11 as originally filed. Applicant believes that this change places the  
 remaining claims in allowable form.

In view of the above discussion and the changes made to the claims of the subject patent  
 application, applicant respectfully requests Examiner's reconsideration of the subject patent  
 application and expeditious allowance of claims 1, 3 – 10, and 12 – 20.

15 Respectfully Submitted,

William D. Lanyi
